REDEFINING DINING

paymytab

FEATURING OUR TABLESIDE EMV SOLUTION:

Move your business forward with the future of mobile and tableside EMV payments.

Eliminate chargeback liability. Fully integrated with your current POS.

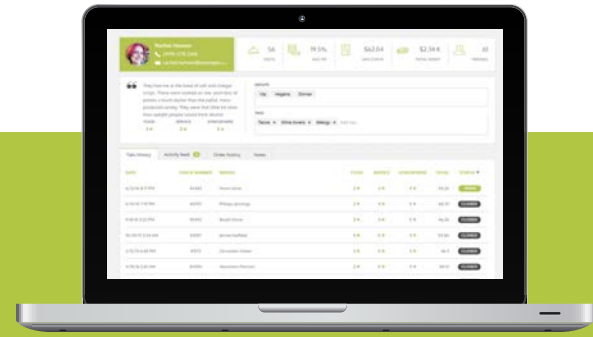

SMART. SIMPLE. SECURE.

Drive Guest Loyalty and Profits

Our powerful DinerIQ™ platform builds customized marketing and real time data analytics that improve guest engagement and loyalty. Access your real-time insights from anywhere in the world.

Smartphone App

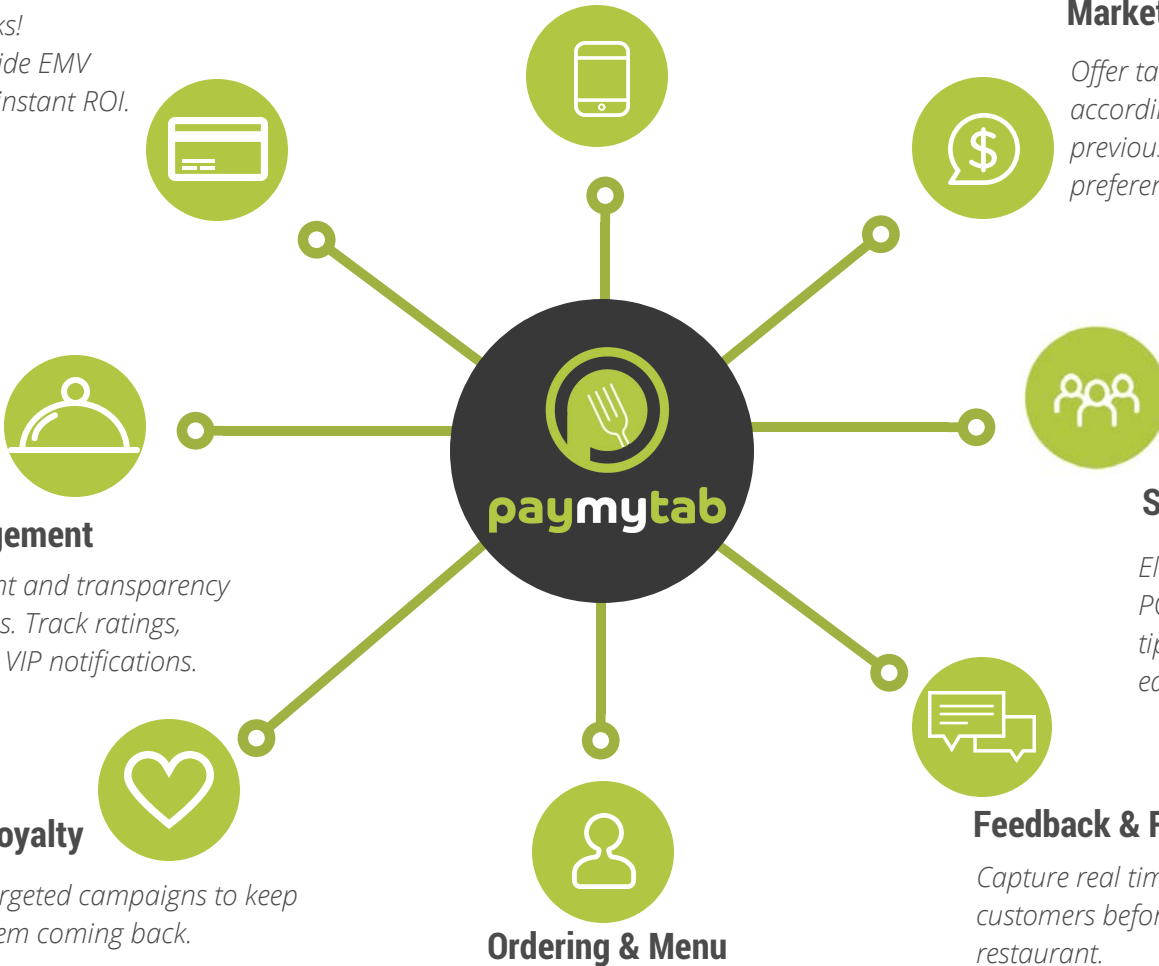

Turn tables faster when you split, tip & pay straight from a mobile phone.

Tableside EMV

Say goodbye to chargebacks! Our Tableside EMV solution is instant ROI.

Marketing

Offer tailored promotions according to each guest's previous visits and preferences.

Guest Management

Complete insight and transparency of your business. Track ratings, reviews and set VIP notifications.

Staff Perks

Eliminate trips to the POS and end of night tip adjustments while earning higher tips.

Loyalty

Targeted campaigns to keep them coming back.

Ordering & Menu

Customize your menu and optimize take out and delivery process.

Feedback & Reviews

Capture real time reviews from customers before they leave the restaurant.
